

Tournament Preparation

The following are a few things to keep in mind as you prepare for tournaments:

- Please check-in at least 30 minutes prior to your tee time and ready to play at your starting hole 8-10 minutes early.
- Players (and any Spectators), are responsible for making sure that they have enough fluids and any other necessities when heading out to the golf course.
- Be sure to have plenty of sunscreen and a hat to avoid overexposure from the sun.
- The SCPGA Junior Tour is not responsible for providing water on the golf course. The golf course staff will monitor the water on the course (please be advised that not all golf courses have water accessible for players/spectators).
- Remember, hydrating yourself begins the night before an event. Drink plenty of water the night before the event.
- Having light snacks on hand is also a good idea (fruit, granola bars, pretzels, etc.)

The SCPGA Junior Tour will attempt to accommodate our members whenever possible.

Thank you for your understanding and we hope to see you all out on the course!!
