Membership

Age Divisions & Yardages

The Players Tour consists of three age divisions. Players play specific yardages per age division; however, yardages are subject to change based on course layout and difficulty.

Girls 9-11: 2,400 – 2,800 (9-holes)
Girls 12-14: 5,300 – 5,700
Girls 15-18: 5,500 – 5,900
Boys 9-11: 2,500 – 2,900 (9-holes)
Boys 12-14: 6,100 – 6,500
Boys 15-18: 6,400 – 6,800

*Players must hole out in the total amount of strokes it takes to complete the hole. The double par plus one rule is **NOT** in effect on the Players Tour. If this rule is neglected, players will be deemed **Disqualified** from the tournament (Rule 3.3c).

The age division you will be placed in is based on the age you will be at the END of that specific season.

If a player scores 30 over par or more in 18 holes OR 15 over par or more in 9 holes in 3 of their first 7 tournaments on the Players Tour, they will be moved to the JDT so they can gain more experience.

Tournaments & Points Race

Single-Day Tournaments

Single-day events will be provided throughout the calendar year on weekends and weekdays during the Summer Series. The 9-11 divisions will play 9-holes and both 12-14 & 15-18 divisions will play 18-holes.

- The Players Tour Single-Day events offer points which will grant the top points earners access to the Series Championship:
 - The top 4 overall Girls plus ties and the top 6 overall Boys plus ties in the Series Championship will earn a one year exemption to the Toyota Tour Cup.

Points Race: Points will be awarded to the 12-14 and 15-18 divisions ONLY. The points breakdown is listed at the end of this document.

Players Tour 2-Day Series

The Players Tour 2-Day Series offers competitive Players Tour members the opportunity to compete in a multi-day championship similar to the Toyota Tour Cup. These events are submitted to the Junior Golf Scoreboard and AJGA.

Points from the 2-Day Series are also weighted so Players Tour members will receive more points than if they were to compete in two single day events. Also, please note that there are 14 Players Tour 2-Day events in 2025.

There is a priority registration policy in place. If a player plays one 2-Day event, they will be put on the waitlist for the following event. Players that were unable to play in the previous 2-Day will have 24-hour priority registration for the next one. After that time, all remaining players will be filtered in by registration time. Priority registration will carry over between seasons.

Junior PGA Section Championship & Qualifier

This event is a 2-day tournament only for Toyota Tour Cup members. However, Players Tour members may qualify through the one-day qualifier.

The top 5 boys and top 3 girls will earn an exemption into the Section Championship. As with a normal Toyota Tour Cup event, for those that qualify, in order to retain TTC Exemption, boys need to place in the top 15 and girls in the top 10 at the Junior PGA Championship.

Results will be submitted to AJGA and Junior Golf Scoreboard.

Series Championships

Every season there will be a Series Championship for all top point earners in each division for the season.

The top 27 Boys 15-18

The top 27 Boys 12-14

The top 18 Girls 15-18

The top 18 Girls 12-14

The Championship for the 9-11 division will be a one-day, 18-hole event, which is open to players on a first come, first serve basis. The Championship for the 12 -18 divisions will be a two-day, 36-hole event.

The Series Championship will have the 12-14 and 15-18 division competing against each other and the top 4 overall girls plus ties and top 6 overall boys plus ties will earn a Toyota Tour Cup Exemption. Although the age divisions will be mixed, points will be awarded by age division only.

Toyota Tour Cup Exemptions

Listed below are the four ways you can earn an invitation to the Toyota Tour Cup:

1. **Toyota Tour Cup Qualifying School:** 36-hole qualifying event for a year-long exemption to the Toyota Tour Cup. Ten percent (10%) of the final field size (boys and girls) will earn an exemption. No age divisions. The first Qualifying School will be held in June and the second will be held in December. **Points WILL NOT BE awarded for Qualifying School.*
2. **Local Qualifiers:** We will be hosting a local Qualifier for (15) different TTC events.
Players Tour Points WILL BE awarded for local qualifiers

From each qualifier, the top five (5) boys and top three (3) girls will earn exemptions to a specific Toyota Tour Cup tournament. The TTC event name will be listed on the qualifier page. Players will not have the option to transfer their exemption for a different TTC event. If they choose to forgo their spot in the TTC event that they qualified for, that spot will go to the next TTC member on the waiting list.

- Boys who finish in the top 15 of the TTC event will earn an exemption for the remainder of the current season plus the following season. **For example, if a boy finishes between 11th and 15th at a Toyota Tour Cup event in March, he will retain a TTC exemption for the remainder of the spring and the entire summer season. His TTC exemption will expire at the end of August.**
- Girls who finish in the top 10 of the TTC event will earn an exemption for the remainder of the current season plus the following season. **For example, if a girl finishes between 7th and 10th at a Toyota Tour Cup event in March, she will retain a TTC exemption for the remainder of the spring and the entire summer season. Her TTC exemption will expire at the end of August.**
- All boys who finish in the top 10 and girls who finish in the top 6 will earn their exemptions for the current year and remain exempt for the following year as well.

3. **Players Tour Series Championships:** Toyota Tour Cup exemptions will be extended to the following:

- The top 4 overall girls and top 6 overall boys plus ties in the Spring, Summer, and Fall Series Championships will earn a one year TTC exemption.

For the Spring Series, exemptions will run through the current calendar year plus the spring of the following year. The Summer Series will be exempt for the Fall Series and the next calendar year. The Fall Series will gain exemption into the next calendar year.

4. **Players Tour 2-Day Series Champions:** Any player that wins a Players Tour 2-Day Championship will be awarded a TTC exemption for the following two seasons. For example, if a player wins a PT 2-Day Championship in the Spring Season, they will receive a Toyota Tour Cup exemption for the Summer and Fall Seasons of that same year.

5. *Players Tour Overall Points Race*: The top 3 overall girls and top 3 overall boys in the Players Tour Overall Points Race at the end of the year will earn an exemption for the following TTC year.

TTC Exemption Conditions

The Series Championship TTC exemptions will be given to the top 4 girls plus ties and top 6 boys plus ties. If a player is already fully exempt for TTC (meaning that the new TTC exemption will not extend the life of that player's TTC membership), we will drop down a maximum of two players in the standings for that Series Championship event.

Pace of Play

In an effort to better pace of play across The Players Tour and The Toyota Tour Cup, The SCPGA Junior Tour will be implementing an "Automatic 2-Stroke Penalty" solution to a group's final hole if they arrive to the scoring area **15 minutes** after the group ahead of them, or in the case of the first group of the tournament, 15 minutes behind the maximum pace of play set by the Tournament Committee.

Exemptions from the Penalty include if a group finishes outside of 15 minutes from the group ahead of them but finishes within the maximum allowable time (time par) set by the Committee, the group will not be assessed a penalty. If a group does not arrive at the scoring area within their allotted time due to circumstances out of their control, such as ball searches or ruling situations during the final two holes, the Committee may exempt the group from the automatic penalty if the group has maintained their positioning before the circumstance occurred.

At any time, if a group feels there is a specific player or players in the group which is causing them to play outside of their allotted time, those facts should be reported as soon as possible to a SCPGA Staff Member so the situation can be monitored. If the group fails to meet their allotted time due to a specific player(s), the committee may deem the penalty to only be applied to them.

Pace of Play on the Players Tour is monitored more strictly and taken into consideration throughout the round. Groups will be placed on the clock if a group is out of position and behind their maximum allotted pace of play while on the course. A SCPGA Staff Member may place the group on the clock and the group must finish the hole within an allotted time, 17 minutes for a par-5, 15 minutes for a par-4, and 13 minutes for a par-3. If the group does not finish the hole within their allotted time, and there were no extreme circumstances preventing them from doing so, a 1-stroke penalty may be applied to the group or individual for playing in a bad time. If a second offense occurs, a two-stroke penalty may be applied, and if a third offense occurs, disqualification may occur.

Pace of Play Tips

These will make our tournaments more enjoyable for everyone and could prevent you from getting penalty strokes for slow play:

- Get your yardage before it is your turn to play.
- Recognize when a fellow competitor will need the flag tended or your ball marked.
- Do not walk in packs. Each player should walk directly to his/her ball without delay.
- Be aware of who is away. If that player is not ready to play, play READY GOLF.
- Keep pace with the group ahead. If you don't know where they are, your group needs to pick up their pace.
- If your ball may be lost outside of a water hazard or out of bounds, play a provisional ball (Rule 18.3).
- If you are unsure how to proceed under a rule, play a second ball under Rule 20.1c(3) and continue play. You must report the facts to a member of the SCPGA staff regardless of score.
- When arriving at the green, position your bag so it is on the way to the next tee to avoid holding up the group behind.
